## **PONYO THE ART OF**

**What is Ponyo known for?** The story follows "Ponyo" a fish that has the face a girl. After Ponyo runs away from her home at the bottom of the sea, she find a whole new world she never knew was out there, and new trouble as well, when she almost caught by a fishing boat, she was rescued by a five year old boy known as Sousuke.

**What does the Ponyo symbolize?** The relation between Sosuke, the young protagonist, and Ponyo, symbolises the connection between human and nature, underlining the necessity for humanity to live in harmony with its environment.

**What animation style is Ponyo?** Borrowing from Kondō's experience in animating House Hunting, Ponyo would use solid and simple lines; in isolating basic animation elements, the film would aim to demonstrate the advantages of hand drawn animation through the depiction of motion that cannot be reproduced in any other medium.

**What lesson does Ponyo teach?** Overall, Ponyo is a beautiful and inspiring film that teaches valuable lessons about compassion, respect for nature, and the power of love.

**Why Ponyo is a masterpiece?** It operates by its own rules of storytelling – there is no clear villain, no story arc, subplots are not followed through – and yet for all that, it is a true work of art, worthy of discussion and debate for years to come.

**What is the mythology behind Ponyo?** Ponyo, once a goldfish was named Brunhilde, embodies the enigmatic Ningyo creatures of Japanese folklore. These fish-people are depicted as both beautiful and dangerous, possessing powerful magic and the ability to transform between the human and marine world.

**What is the allegory in Ponyo?** Miyazaki's "Ponyo" is an allegory for a father's perspective of his daughter falling in love and getting married.

**What is the 333 in Ponyo?** Lisa's license plate is 333. The opening twelve seconds, involving vast schools of fish and undersea creatures, required 1,613 pages of conceptual sketches to develop. Sôsuke is based on Hayao Miyazaki's son Gorô Miyazaki, when he was five years old.

**Why does Sosuke in Ponyo call his mom by her name?** Given these two interactions I think the fact that Sosuke calls his mom Lisa and his dad Koichi is more of an indication of their intimacy and that they know each other than precociousness.

**What is the moral of the story of Ponyo?** In actuality, the story is about love, forgiveness, and coping with life-altering change – and it's a prime example of how far inspiration can drive an idea.

**Is Ponyo feminist?** Although Acthas argued that Andersen's original tale is less sexist than Disney's rendition, Ponyo proves to be a specifically feminist text, especially when viewed through the lens of a feminist ethics of care.

**Can someone explain Ponyo?** Here is the current IMDB plot summary: The son of a sailor, 5-year old Sosuke lives a quiet life on an oceanside cliff with his mother Lisa. One fateful day, he finds a beautiful goldfish trapped in a bottle on the beach and upon rescuing her, names her Ponyo. But she is no ordinary goldfish.

**What does Ponyo stand for?** Meaning: soft or squishy. With the unique meaning of “soft” or “squishy,” Ponyo is a cute girl's name with Japanese origins. For those who are fans of Japanese animation, you may recognize this name as the title of the 2008 Studio Ghibli film with the same name.

**What is Ponyo's dad supposed to be?** Originally a human, Fujimoto serves as the Guardian of Sea Life. Being the husband of Granmamare, Fujimoto is the father of Ponyo and her sisters. He's shocked to find out that Ponyo is in the care of a young boy named Sosuke, and has to retrieve Ponyo back before it's too late.

**Why do people love Ponyo?** One of the most crucial factors that draws viewers in when watching Ponyo is that its characters are all well-designed, fleshed out and come across with understandable intentions. The mother, Lisa, is working and taking care of her son while her husband Koichi works on a fishing boat.

**What inspired Ponyo?** Though Miyazaki is a Tokyoite born and bred, he took a pleasure trip to Tomonoura after making Howl's Moving Castle – and ended up staying for two months. It was in that period that he conjured the basic inspiration for Ponyo.

**Is Ponyo's dad evil?** In his core he is a good guy, who cares about his daughters. He is just over-pessimistic. He hates humans, because humans pollute the environment, and more specifically the sea. So he uses magic to purify the sea from the humans' waste.

**Why does Ponyo look different?** One of the best things about Ponyo is the way her magic affects her human form. Going from fish to human, she becomes a chicken-legged creature that is not quite human enough to look normal. Ponyo's chicken form is a good representation of her sacrifice.

**Is Ponyo's mom a goddess?** Granmamare (??????, Guranmamare) is the Goddess of Mercy and the Queen of the ocean, wife of Fujimoto and the mother of Ponyo and all her sisters. When she spoke to Lisa after the city was flooded, she entrusted Ponyo into her care, thus ensuring her daughter's safety and protection.

**What race is Ponyo?** Human. Throughout the first half of the film, Ponyo begins to transform from a fish into a human, where she grows in height and develops skinny orange arms and legs similar to a frog/chicken's. They eventually develop into human limbs.

**Why did Ponyo's sister turn into fish?** Appearance. Later in the film, due to Fujimoto's released potions, they too grow in size and number, fully transforming from girls resembling the size and hair length of Granmamare to immense fish made of ocean waves. They are reverted to their original forms after Granmamare appears to the women of the retirement home ...

**What is the mythology of Ponyo?** The character Ponyo's initial appearance may have been inspired by a Japanese ghost story called "Baika Hiritsu" and the Goldfish Ghost. Additionally, Ponyo's father, Fujimoto, shares similarities with dragon kings of Asian mythology and the father of Brunhilda in Wagner's operas.

**Is The Little Mermaid based on Ponyo?** Loosely based on Hans Christian Andersen's "The Little Mermaid," Ponyo is a tender, imaginative tale of self-discovery and friendship.

**What fairytale is Ponyo based on?** Context of Ponyo The film's director and writer, Hayao Miyazaki, stated that creation of Ponyo was inspired by Hans Christian Anderson's "the Little Mermaid", but he deemed that this inspiration was more abstract than just recreating the same basic story.

**Why do people love Ponyo?** One of the most crucial factors that draws viewers in when watching Ponyo is that its characters are all well-designed, fleshed out and

come across with understandable intentions. The mother, Lisa, is working and taking care of her son while her husband Koichi works on a fishing boat.

**Why is Ponyo such a good movie?** Miyazaki's Studio Ghibli shows his wonderful touch animating, infusing life, in every little action of the characters in Ponyo. When Sosuke puts down so carefully his little boat to reach for the red fish you know that you'll have a very good time watching this movie.

**How is Ponyo different from her sisters?** They speak few words, and appear to be very small children - almost newborn, although they may have lived a very long time. Ponyo surpasses them greatly in size and magical abilities. It is unknown what they truly are, or if they have names and magical abilities of their own.

**Is Ponyo child appropriate?** Miyazaki's stunning adventure is geared to younger kids.

**Is Ponyo feminist?** Although Acthas argued that Andersen's original tale is less sexist than Disney's rendition, Ponyo proves to be a specifically feminist text, especially when viewed through the lens of a feminist ethics of care.

**Why is Ponyo so powerful?** The daughter of a masterful wizard and a sea goddess, Ponyo uses her father's magic to transform herself into a young girl and quickly falls in love with Sosuke, but the use of such powerful sorcery causes a dangerous imbalance in the world.

**Are Ponyo and Sosuke in love or siblings?** Mom! Ponyo came back, and she's a little girl now! S?suke (???, Sosuke) is one of the main protagonists of the film Ponyo on the Cliff by the Sea directed by Hayao Miyazaki. He is the son of Koichi and Lisa, as well as Ponyo's lover.

**Is Ponyo's dad a bad guy?** Children. Fujimoto is the main antagonist in Hayao Miyazaki's 2009 animated film Ponyo. While he's depicted as the main antagonist, Fujimoto isn't really a villain. He's simply an over-protective and an over-controlling father who just wants to prevent his daughter from wanting to turn into a human.

**Why did Ponyo squish the baby's face?** Ponyo gives them some soup Lisa made and smooshes her face into the baby's to make it laugh.

**What is the main plot of Ponyo?** Summary: A young boy named Sosuke rescues a goldfish named Ponyo, and they embark on a fantastic journey of friendship before Ponyo's father forces her to return to the sea. Ponyo's desire to be human upsets the balance of nature and only Ponyo's mother can restore nature's balance and make Ponyo's dreams come true.

**Does Ponyo have a deeper meaning?** In actuality, the story is about love, forgiveness, and coping with life-altering change – and it's a prime example of how far inspiration can drive an idea.

**Why does Sosuke in Ponyo call his mom by her name?** Given these two interactions I think the fact that Sosuke calls his mom Lisa and his dad Koichi is more of an indication of their intimacy and that they know each other than precociousness.

**What species is Ponyo's dad?** As a human turned caretaker of the sea, he resents his former kind for being so dirty and polluting his home. Fujimoto is very concerned with order and control, but he is not cruel; Granmamare convinces him sometimes things must happen outside of his control in order for others, like his daughter Ponyo, to be happy.

**What happened to Sosuke's dad?** -S?suke's father never showed up on the shore when he was alive. Only long after the tsunami that he returned to his family. (Also taking into account the amount of shipwrecks that the tsunami had caused; there was no way anyone at sea could've survived that.)

**What causes the flood in Ponyo?** The film focuses on the love between a young boy named S?suke and Ponyo, a goldfish who becomes a girl, against the backdrop of a magical tsunami caused by Ponyo herself that strikes S?suke's idyllic coastal hometown. The land is flooded, creating a wondrous new underwater environment flourishing with life.

**Does Ponyo and Sosuke kiss?** The balance of nature is then restored, and the previously stranded ships head back to port, including S?suke's father. Ponyo jumps high in the air and kisses S?suke, transforming back into a human.

# **THE ENGLISH A PORTRAIT OF A PEOPLE JEREMY PAXMAN**

## **"The English: A Portrait of a People" by Jeremy Paxman: A Critical Examination**

Jeremy Paxman's acclaimed book, "The English: A Portrait of a People," offers a comprehensive exploration of English identity and culture. In this article, we delve into key questions and answers raised by the work.

### **1. Who are "the English"?**

Paxman argues that the English are "a people shaped by 1,500 years of history, conquest, and immigration." He traces the diverse origins of the English people, highlighting the Norman, Roman, and Celtic influences that have shaped their culture.

### **2. What defines Englishness?**

According to Paxman, Englishness is characterized by a complex blend of qualities, including a sense of pragmatism, a love of tradition, and a wry sense of humor. He also explores the paradoxical nature of Englishness, noting its coexistence of openness and insularity.

### **3. How has the English character evolved over time?**

Paxman argues that the English character has undergone significant transformations throughout history. He attributes this evolution to major events such as the Reformation, the Industrial Revolution, and the World Wars, which have left lasting impressions on English society.

### **4. What are the challenges facing England today?**

Paxman identifies several challenges facing England in the 21st century, including the rise of nationalism, the decline of the welfare state, and the changing nature of work. He argues that these challenges require a reassessment of the values that define Englishness.

## 5. What is the future of England?

Paxman concludes the book by reflecting on the future of England. He expresses both optimism and concern, suggesting that the country's ability to navigate the challenges of the future depends on its capacity for adaptation and its commitment to the values that have shaped its past.

## **FORGIVING THE UNFORGIVABLE**

**What does it mean to forgive the unforgivable?** It's about giving up your desire for your aggressor to hurt like you hurt. It's about allowing God the freedom to save some offenders through salvation, should He choose – and NOT holding a grudge against God should He regenerate a sinner that has hurt you.

**What does the Bible say about forgiving the unforgivable?** Jesus says in Luke 17:3-4, "If your brother or sister sins against you, rebuke them; and if they repent, forgive them. Even if they sin against you seven times in a day and seven times come back to you saying 'I repent,' you must forgive them."

**How to forgive someone who did something unforgivable?**

**How do you ask for forgiveness for the unforgivable?**

**Can you repent for unforgivable sins?** The unforgivable sin is interpreted by Christian theologians in various ways, although they generally agree that one who has committed the sin is no longer able to repent, and so one who is fearful that one has committed it has not done so.

**Can the unforgivable sin still be committed?** My response is to turn to Scripture and explain that they don't need to worry because the unforgivable sin can't be committed today. It could only be done by those who saw the miraculous work of Jesus Christ and publicly attributed it to the work of the devil.

**What are the two unforgivable sins?** Those guilty of committing the unpardonable sin of denying the Holy Ghost and the unforgivable sin of shedding innocent blood must face the justice of God.

**Will God forgive you for blasphemy?** All sins and blasphemies of men will be forgiven them. But whoever blasphemes against the Holy Spirit will never be forgiven; he is guilty of an eternal sin” (Mark 3:28-29). Notice, there is a positive and a negative in what Jesus says. First, the positive.

**Why does God not forgive the unforgivable sin?** Graham: Only one sin that can't be forgiven is on God's list — and that is the sin of rejecting Him and refusing His offer of forgiveness and new life in Jesus Christ. This alone is the unforgivable sin, because it means we are saying that the Holy Spirit's witness about Jesus is a lie (see Luke 12:10).

**How to forgive yourself when you've done something unforgivable?** How do I let go of guilt and forgive myself? Letting go of the guilt you feel often takes time. Focus on self-compassion, apologize if needed, and work on making amends. Instead of ruminating on feelings of guilt, focus on what you've learned and how you plan to do better going forward.

**What should you not forgive someone for?** You should not let someone back into your life who has consistently demonstrated a pattern of abuse. Do not feel pressured to do something that you don't want to do.

**What makes someone unforgivable?** And yet, it is deeds which are said to be unforgivable.<sup>43</sup> For example, rape, torture, and murder are often cited as unforgivable acts, because they are so repulsive and heinous. Intuitively, we would not require an analysis of why such crimes are unforgivable.

**Is blasphemy forgivable if you didn't know?** Jesus says yes: Matthew 12:31 NW — “For this reason I say to you, every sort of sin and blasphemy will be forgiven men, but the blasphemy against the spirit will not be forgiven. While blasphemy against the spirit will not be forgiven, that kind of blasphemy is not accidental, it is very intentional.

**How to apologize for doing something unforgivable?**

**Does God forgive people who don't ask for forgiveness?** For example: you've got a text like Mark 11:25 and Jesus says, “Whenever you stand praying forgive if you have anything against anyone so that your Father who is in heaven will also

forgive you your transgressions.” So this sounds like Jesus is saying we forgive whether someone has asked for forgiveness or not, whether ...

**How do I know I committed the unforgivable sin?** In short, the unpardonable sin is any sin that we choose not to confess. If the Holy Spirit brings to mind a sin that we need to confess, but we choose not to confess it, then that sin cannot be forgiven.

**What counts as blasphemy?** Blasphemy, in a religious sense, refers to great disrespect shown to God or to something holy, or to something said or done that shows this kind of disrespect; heresy refers a belief or opinion that does not agree with the official belief or opinion of a particular religion.

**Is adultery an unforgivable sin?** The Bible teaches that the blood Jesus' shed on the cross covers all sin, including infidelity. "... the blood of Jesus, God's Son, purifies us from all sin" (1 John 1:7). This means that any sin we commit, including infidelity, can be forgiven when we come to Jesus with a repentant heart.

**What sins Cannot be forgiven?** In Mark 3:29 Jesus says that "whoever blasphemes against the Holy Spirit will never be forgiven; they are guilty of an eternal sin." Matthew's account adds that even blasphemy against the Son of Man will be forgiven, but not blasphemy against the Holy Spirit (Matthew 12:31–32).

**Why am I scared I committed the unforgivable sin?** One study Bible explains it as follows: "To commit this sin one must consciously, persistently, deliberately, and maliciously reject the testimony of the Spirit to the deity and saving power of the Lord Jesus." If a person keeps doing that until death, there is no hope of forgiveness and eternal life in heaven.

**Can a true believer commit the unforgivable sin?** So for any who have believed in Jesus for salvation, there is an absolute promise of eternal life. The person who has that life will never lose it. They will never do anything that can get them snatched out of the hand of God. There is no unforgivable sin for the person who has believed in Jesus.

**What kind of sin is unforgivable?** In Mark 3:29 Jesus says that "whoever blasphemes against the Holy Spirit will never be forgiven; they are guilty of an

eternal sin.” Matthew's account adds that even blasphemy against the Son of Man will be forgiven, but not blasphemy against the Holy Spirit (Matthew 12:31–32).

**How is blasphemy forgiven?** That certainly includes blasphemous words, blasphemous thoughts, and blasphemous deeds. And Jesus gives us His word: “I tell you the truth!” All the sins and blasphemies of men and women will be forgiven. That means the blood of Jesus Christ is sufficient to cover every sin, including yours!

**Why does God not forgive the unforgivable sin?** Graham: Only one sin that can't be forgiven is on God's list — and that is the sin of rejecting Him and refusing His offer of forgiveness and new life in Jesus Christ. This alone is the unforgivable sin, because it means we are saying that the Holy Spirit's witness about Jesus is a lie (see Luke 12:10).

**Can a true believer commit the unforgivable sin?** So for any who have believed in Jesus for salvation, there is an absolute promise of eternal life. The person who has that life will never lose it. They will never do anything that can get them snatched out of the hand of God. There is no unforgivable sin for the person who has believed in Jesus.
