"God So Near": An Examination of the Ancient Near Eastern Setting for Deuteronomy 4:7 and ??????. According to Deut 4:7, Israel has a deity who is "near." While most studies that include this passage address other matters, almost none of them explore the meaning or background of the concept of "nearness" (?????). The purpose of this article is to examine the Hebrew root ???, the ancient Near Eastern background of the "nearness" of the deities, and the interpretation of Deut 4:7 as a result of these findings and to explore what made or brought God "near."

#### **The Magick of Aleister Crowley: A Handbook on Rituals, Thelema, and L. Ron Hubbard**

**Introduction** "The Magick of Aleister Crowley" is a seminal work in the field of Western esotericism. Written by L. Ron Hubbard, the book provides an in-depth exploration of the practices, rituals, and beliefs of the renowned occultist Aleister Crowley.

**Chapter 1: The Rituals of Crowley Q: What was Crowley's approach to ritual magic? A:** Crowley believed that rituals were essential for invoking and manipulating supernatural forces. He developed a system of complex and elaborate ceremonies, each designed to achieve specific goals.

**Q: What was the significance of the "Great Beast"? A:** The "Great Beast" was Crowley's self-proclaimed title, referring to the creature described in the Book of Revelation. He saw himself as a prophet of a new age, the Aeon of Horus.

**Chapter 2: Thelema: Crowley's Code of Conduct Q: What were the key principles of Thelema? A:** Thelema is a philosophical and ethical system based on the concept of "Do what thou wilt shall be the whole of the Law." It emphasized individualism, self-reliance, and the pursuit of one's true will.

**Q: How did Crowley's personal life influence his beliefs? A:** Crowley was a controversial figure who engaged in drug use, sexual experimentation, and unconventional relationships. His personal experiences shaped his understanding of Thelema and the nature of human potential.

**Chapter 3: Hubbard's Influence on Crowley Q: What was Hubbard's relationship to Crowley? A:** Hubbard was a student and follower of Crowley. He helped to spread Crowley's teachings and founded his own organization, Scientology, based on Thelemic principles.

**Q: How did Hubbard's interpretation differ from Crowley's? A:** While Hubbard initially embraced Crowley's ideas, he later diverged in some respects. He emphasized a more practical and scientific approach to spirituality, de-emphasizing the use of ritual magic.

**Conclusion** "The Magick of Aleister Crowley" remains a powerful force in the world of esotericism. It offers a glimpse into the complex and often enigmatic world of Crowley, whose rituals, beliefs, and influence continue to resonate with seekers of knowledge and spiritual awakening.

## **SPORTS NUTRITION PERFORMANCE ENHANCING SUPPLEMENTS**

### **Sports Nutrition: Performance-Enhancing Supplements**

**Q: What are sports nutrition supplements?**

A: Sports nutrition supplements are products designed to enhance athletic performance, recovery, and well-being. They range from simple vitamins and minerals to more complex formulas containing ingredients like creatine, beta-alanine, and branched-chain amino acids (BCAAs).

**Q: Do sports supplements actually work?**

A: The effectiveness of sports supplements depends on the specific ingredients and their individual response. Some supplements, such as creatine, have been scientifically proven to enhance power output and muscle growth. However, not all supplements are created equal, and some may have minimal or no effect on performance.

**Q: What are the risks associated with sports supplements?**

A: Some sports supplements may contain harmful ingredients or have potential side effects. It's important to check with a healthcare professional or registered dietitian before using any supplements. Additionally, it's crucial to purchase supplements from reputable sources to ensure quality and safety.

**Q: Should I take sports supplements?**

A: The decision of whether or not to take sports supplements should be based on individual needs and goals. Athletes with dietary deficiencies or who engage in intensive training regimens may benefit from certain supplements. However, it's generally not advisable for recreational exercisers or individuals with a balanced diet to rely heavily on supplements.

**Q: Where can I find more information about sports supplements?**

A: There are numerous reputable sources that provide evidence-based information about sports supplements. These include websites of professional organizations, universities, and government agencies. It's also important to consult with qualified healthcare professionals or registered dietitians for personalized advice tailored to your specific situation.
